A vibrant, stylized illustration of a bearded man, likely a warrior or a sage, kneeling by a small stream. He wears a green turban with a white feather, a green shawl over a yellow tunic, and green trousers. He has a brown leather arm guard on his right arm and a sword in a scabbard on his left. He holds a small object in his right hand, from which a stream of water is flowing. Behind him, a white horse stands in the water. In the background, there are mountains and a blue sky. A bow and arrows are visible in the upper right corner.
